# January Newsletter

Hello Everyone. Hope that everyone made it through the holiday season. It is hard to believe that the 2014 golf season is just around the corner. I know that the weather outside right now is not the best for golf but the days are getting longer and Spring will be here before we know it.

Not a lot has been going on the last month. I am working on sponsors. The WMCPGA would like to welcome back Pepsi Cola of Kalispell and Jay Corpron as a Presenting Partner, also welcome back Craig Pelzer and Pelzer Golf Supplies as a Regional Partner. The WMCPGA would like to welcome two new partners for 2014, Missoula Country Club and General Manager Chris Nowlen as a Golf Course Only Partner and also the Peissig Family and Alphagraphics of Missoula as a Contributing Partner. The Golf Course Only Partnership is a great opportunity for your course to be involved more with the WMCPGA. I have enclosed the information about this partnership at the end of the newsletter.

The 2014 WMCPGA Schedule has been out now for a month. I am working on getting formats and starting times collected for the schedule as per the Rules and Regulations state. A couple of you have not

responded to that request. Please be watching for that email again. I will probably release the schedule with the starting times and formats around the first of February. I have put the 2014 WMCPGA Tournament Schedule at the end of the newsletter.

I will be off to Tumwater, WA and the Section office on January 13th for a meeting of the Chapter Tournament Directors and Section Staff. Looking forward to meeting everyone at the office and see how things are done there.

Please remember if it looks like you are going to play or attend the Chapter Championship and Fall Meeting at The Wilderness Club in Eureka you will need to make reservations well before that event. I will have information at the Spring Meeting for you if you attend that. If you have something that you would like to have discussed at the Spring Meeting please remember that has to be submitted in writing before the meeting so that we can get it on the agenda.

# Golf Course Partnership- $500

This is an exclusive partnership for just the courses of the Western Montana Chapter PGA. Your course logo will be seen on the sponsor page of the Western Montana Chapter PGA website and it will also be on a rotating banner at the top of the homepage. This banner will be linked to your website and a hidden page, where you will have access to change what is seen. You will be able to run web special or give out special information about your course. You have complete control over this page; the Western Montana Chapter PGA will not have access to your page. You will also receive signage at all the events that the Western Montana Chapter PGA runs. Your sign age will be placed on a tee or on the practice area of the golf events.
